Noovo : Contemporary Portraits of Fashion, Photography Jewellery (Noovo) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Contemporary Portraits of Fashion, Photography Jewellery (Noovo):

This series of visual books about fashion, accessories and photography is the result a collaboration between NOOVO and The Pepin Press. Each volume provides a unique and contemporary look at creative talent from around the world, both emerging talents and established names. The unifying theme in this series is the commitment to and passion for art that these designers share.
