**Kim Jane Saunders : Contemporary Tie and Dye Textiles of Indonesia** before purchasing it in order to gage whether or not it would be worth my time, and all praised Contemporary Tie and Dye Textiles of Indonesia:

0 of 0 people found the following review helpful. Fine book By J. Briggs Excellent book by very knowledgeable author. I was in Indonesia recently and saw first hand many of the styles discussed.

Hand-spun and hand-woven textiles have always been an integral part of the cultures of South-East Asia. This book maps contemporary areas of production and markets, and documents a cross-section of current practices and examples of tie and dye weaving in Indonesia, providing a fascinating introduction to the diversity of the textiles of each of the

main islands as well as useful guidance on their identification and classification.
