I found it very informative. jg0 of 0 people found the following review helpful. A Good BookBy HardCoreGamerIt does a good job of compiling information that is very hard to find about a gun that very little has been written about. A good addition to the field.1 of 1 people found the following review helpful. History of two rare and unusual Civil War cavalry carbinesBy Midwest Book

Review Tom Rentschler's *Cosmopolitan And Gwyn Campbell Carbines In The Civil War* is the definitive, illustrated history of two rare and unusual Civil War cavalry carbines and their use in the field. An informative, exhaustively researched, seminal work, the 128-pages of superbly crafted text is enhanced with 84 black-and-white illustrations (including three never-before-published photos), footnotes, and general index. No serious Civil War studies collection can be considered complete or comprehensive without the inclusion of *Cosmopolitan And Gwyn Campbell Carbines In The Civil War*.

A comprehensive historical guide to one of the most innovative weapons of the Civil War. Written by the foremost authority on these intriguing carbines, this is certainly the definitive guide.
