3 of 3 people found the following review helpful. Highly Recommended By Gary E. Thorn Best single book on coyotes that is out there. The photo's are great and the text even better. 1 of 1 people found the following review helpful. excellent observations on coyote social behavior By Hodge L Especially noteworthy for the enthralling pictures of coyotes in Texas. Also, excellent observations on coyote social behavior. 1 of 1 people found the following review helpful. Wonderful book! By April Sark What a wonderful and informative tribute to such an amazing animal! The photography was outstanding!

Thirty dazzling color postcards from the Wyman Meinzer book Coyote. Here are thirty memorable photographs by the internationally recognized photographer and author, Wyman Meinzer, bound in a postcard collection to keep or mail. Taken from his book Coyote, these postcards show this legendary North American native species in its home environment in the ranch country of Texas. Revered or hated, the coyote forever endures as the symbol of the free spirit of the American West.
