A Gene doll is used as the model and the work is sloppy and little explanation. the book arrived poorly packaged and the photos in back of completed dolls was very disappointing . A beautiful doll looked like a mess !! I hope there are better instructional books out there.0 of 0 people found the following review helpful. Doll lovers paradise!By Joanna TaylorFantastic book for the doll lover who has an interest in creating her own individual dolls + needs to learn the process. I found this book FULL of usable information + techniques, great pictures + information descriptions. I learned that I will NOT be making any facial changes + just stick to making the clothing, BUT I love reading about the others who do "face-ups" or doll repainting.0 of 0 people found the following review helpful. Five StarsBy

Kimberley Step by step directions clear and with color pictures

With this book you will be able to create your own unique doll face compliment your sewing garments. In her latest book, Sabrina Guidice shares her knowledge and tips on customized facial repaints for fashion dolls to give that fashion doll a whole new face! From beginning to end, this step-by-step guide shows you how to take a typical fashion doll, remove its manufactured face paint, and repaint it with a customized look. Filled with over 150 photos, this book details how to customize the face paint of your fashion doll into a one-of-a-kind doll that you will display prominently with pride. 150 color photos.
