**Bob Page, Dale Frederiksen : Crystal Stemware Identification Guide** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Crystal Stemware Identification Guide:

1 of 1 people found the following review helpful. awesome resource or just plain fun to look at! By CheriByGrace I've used this book for YEARS! I never tire of looking through it! There's so much here! If they have an updated version I'd love to get that. 0 of 0 people found the following review helpful. Five Stars By Rodney S. Clark Excellent reference! Thorough, and complete guide to the identification and ratings for glassware we've been looking for. 0 of 0 people found the following review helpful. Five Stars By Heather Williams Excellent resource!
