Very pleased with this purchase.0 of 0 people found the following review helpful. Downtown linksBy Jose F. Santiago-IlorensThanks to Downton Abbey, there are many fans of these small jeweled sculptures. A great introduction to these wonders, don't miss it. Even though old its still relevant.1 of 13 people found the following review helpful. Cuff LinksBy tomekNormally this book is printed on top quality paper with extra photos. You sell paperback. WHY?

Artistry and social history merge in this engaging look at cuff links, and the role they have played in 19th and 20th-century fashion. The array of designs includes creations by jewellers and artists such as Faberge, Cartier, Tiffany and Alexander Calder.

"This richly illustrated book, which features cuff links from the sporty-fishing flies under crystal-to the fanciful-a pair of nuts and bolts-will make every man yearn for French cuffs."-Time "One hundred eighty-six plates of these

delightful geegaws make you wonder why you use mere buttons." - Wall Street Journal PUBCOMMENTS: Artistry and social history merge in this unusual book-an engaging look at cuff links and the role they have played in fashion from the early 19th century to the present. The striking array of designs includes creations by such illustrious jewelers and artists as Faberg, Cartier, Tiffany, and Alexander Calder. The result is a unique and beautiful gift for art lovers who will relish the exquisite craftsmanship and for fashion devotees who consider these ornaments an essential touch of sartorial splendor. 199 illustrations, 186 in full color, 8 1/2 x 9 1/4" (Susan Jonas And Marilyn Nissenson) have written five books together, including Abrams' *The Ubiquitous Pig*.
