H. A.V. Bulleid : Cylinder Musical Box Design and Repair before purchasing it in order to gage whether or not it would be worth my time, and all praised Cylinder Musical Box Design and Repair:

1 of 1 people found the following review helpful. great bookBy stephen newmarkthis is a really great book but it is very expensive. I bought it to repair an old music box that was given to me as a gift. I decided against doing the work myself but the book was helpful in my understanding what was involved.

A detailed guide to builders, musical arrangements, mechanical construction and restoration.
