Few brand names in American history enjoy the same instant recognition as Daisy. Since 1888, children and adults alike, have considered the name synonymous with BB guns. Inexplicably, this highly designed look back at the first 100 years of Daisy BB rifles and pistols, toy and cork guns, accessories, packaging, and period advertising and literature is the book of its kind to examine the history of this legend, let alone in such a stylish fashion.

About the Author Neal Punchard is a lifelong Daisy enthusiast, shooter, and collector whose current collection of rifles and pistols numbers in the hundreds. He resides in Minnesota.
