Whitman has the best pages to go with their coin albumsBy THing4CSAWhitman has the best pages to go with their coin albums! I do highly recommend these pages to extend your album.0 of 0 people found the following review helpful. Easy addition to update an old albumBy W74I bought this dime page to add to my Whitman dime book. I have had the book for over twenty years and it has long since been full. I had the more recent dimes stored elsewhere. It is great that Whitman still makes the same type of book after all these years and that they make single pages that can be added. Now all my dimes are in one place. These books and pages are made to last.

Blank Pages for Whitman Classic Albums or the Universal Binder. Grained leatherette texture. Dime page has 36 openings.
