Fair My 3 year old daughter has enjoyed this character filled sticker book. We did have difficulty matching some of the stickers to their proper page as they aren't marked at all. Over all this is a great way to spend time having fun with the Dinosaur characters.

A stunning look at the world and characters of Disney's upcoming animated film, Dinosaur! Coming to theaters May 19, 1999. Disney's spectacular new film uses state-of-the-art computer-generated visuals that are re-created here in

sticker format to bring the last days of the dinosaurs to life.
