Jan Foulke's expertise is evident on every page, and the photos are nicel done. Highly recommend.2 of 2 people found the following review helpful. Doll ClassicsBy AnnaBook was a good price. I would have appreciated knowing that most of the photos were black and white, but this book still had good information.5 of 5 people found the following review helpful. A lot of good black and white photographsBy A CustomerQuite a useful book for the reproduction doll artist. Lots of good photographs to use, unfortunately only some are in colour. However the black and white photos offer an opportunity to examine the look of the dolls. A good overall buy.
