From Brand: Laughing Elephant : Easter Rabbit Postcard Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Easter Rabbit Postcard Book:

14 of 14 people found the following review helpful. Mini Pieces of Art!By BarbaraBeing a lover of all things vintage and Victorian, I was searching for some Easter cards to not only send but to frame for the holiday. I found several sights, but the price of one postcard was very costly, and I searched on and found this book. It is filled with the loveliest post cards, which can be removed and framed, and the illustrations are exquisite! Thirty postcards for less than \$10 is surely a deal I can recommend!5 of 5 people found the following review helpful. nice and cards easy to tear out of bookBy Lindalove these cards, the images of bunnies are wonderful and everyone I have sent one to in my postcard club has loved it, images are clear not fuzzy like some Victorian reprints, there is a variety of images, not all bunnies with baskets, cards are easy to tear out which is important to me having struggled with other postcard books, will buy again3 of 3 people found the following review helpful. Busy, busy bunniesBy Abq GranmaNice collection -- the product description is accurate in that the bunnies are doing a number of things in various postcards so that you feel as though you really do have a decent selection. There are feel-good cards, without being sappy, cloying, or saccharine. Good card quality, excellent picture reproductions. If I were ever to use all 30, I'd purchase again.

The early years of the twentieth century produced a flood of postcards. Almost all aspects of existence were pictured over and over again. Holidays were a favorite topic, and the quality of the art and printing were frequently excellent as such cards sold well. Easter cards, like Easter itself, encompasses many themes. Angels and cherubs frequently appear. Spring and its flower were very common, for Easter is a celebration of the rebirth of life. Rabbits and Easter Eggs are the dominant themes, and our gather reflects this, for here the artist' imaginations best flowered

About the AuthorLaughing Elephant houses one of the world's finest book and ephemera collections focusing on children's and juvenile art.
