**J P Michaux : Elsevier's Dictionary of Art History Terms: French/English-English/French (0)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Elsevier's Dictionary of Art History Terms: French/English-English/French (0):

The dictionary contains terms covering the following fields and subfields of arts and antiques: painting, drawing,

engraving, sculpture, architecture, dressmaking, armament, heraldry, ceramics, styles and art criticism, music, furniture, religious monuments and objects, textile, gilding, numismatics, jewels, cabinet-making etc.
