**Lynn Johnson, Michael O'Leary : En Route: Label Art from the Golden Age of Air Travel** before purchasing it in order to gage whether or not it would be worth my time, and all praised En Route: Label Art from the Golden Age of Air Travel:

0 of 0 people found the following review helpful. ... book years ago when it was first released loved it. I now wanted to buy it again ...By Jane EaglestonI purchased this book years ago when it was first released loved it. I now wanted to buy it again as a gift for a business colleague. However I did not want a "used" edition so was thrilled to find a "new"one. It arrived perfectly. The book is a wonderful history of commercial air travel in its hayday when affluent travelers displayed airline labels on their luggage as status symbols airlines designed those labels as advertising. A great history descriptive read goes along with it. I highly recommend!!0 of 0 people found the following review helpful. Wonderful book! I've had a copy for several yearsBy TervFancierWonderful book! I've had a copy for several years, and bought this one for a friend in Finland. I have no doubt he'll love it as he has huge interest in vintage airlines and their aircraft.0 of 0 people found the following review helpful. Five StarsBy PARVIZ D.fantastic document of great time!

En Route offers an entertaining, glamorous, and evocative look at the early, international airline companies and the distinctive designs of their luggage labels, so coveted by intrepid travelers of the period. Complete with over 150 examples, from bold images of the Art Deco period to modern icons of the 40s and 50s, and tips on acquiring and

preserving vintage labels, En Route will delight and inform travelers and aviation enthusiasts, as well as commercial artists and designers.

About the AuthorLynn Johnson is an executive for a major motion picture company. Michael O'Leary is the editor for a national group of magazines and the author of numerous books. They both live in Southern California.
