**C. H. Wendel : Encyclopedia of American Farm Implements Antiques** before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of American Farm Implements Antiques:

0 of 0 people found the following review helpful. The book came in great shape and in a timely manner at a good ...By david grossThe book came in great shape and in a timely manner at a good price. Wendel is a great author but a lot of his books are out of print and you are lucky to get the like this.0 of 0 people found the following review helpful. Five StarsBy jerryPurchased for our 32 year old son for Christmas. He absolutely loves this book.0 of 0 people found the following review helpful. Five StarsBy CustomerVery informative.

An alphabetically organized reference for farm implements from the 1800s through the 1940s. Each entry includes an overview of the implement or tool (for example, churns), and notable examples of brands, often illustrated by

drawings or photographs. Each example includes a brief summary of the histo
