Tom Tierney : Newport Fashions of the Gilded Age Paper Dolls (Dover Victorian Paper Dolls) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Newport Fashions of the Gilded Age Paper Dolls (Dover Victorian Paper Dolls):

0 of 0 people found the following review helpful. Paper Dolls have come a very long way through the years...By Ann S.I love these paper dolls. I bought my Sister a set as well. It has brought back childhood memories for us. The colors are great, the clothes are beautiful. I took the advice from another review and purchased an Exacto Knife. Works great to cut everything out as nothing is perforated. Lots of fun to have a bit of nostalgia from childhood.11 of 11 people

found the following review helpful. "THIS ONE'S FOR YOU" - COSTUMIER, DOLL DRESS DESIGNER OR LITTLE GIRL! ! !By Pauline EikelOh, if only we had had books like this when I was a little girl. The hours we spent playing "Paperdolls" and we loved it. If our "cut-out" books had had the quality of this book, I am sure we would still have the books. What a delight to see paper doll books printed on such high quality paper stock and designed printed so beautifully. I bought 3 paper doll books by Tom Tierney at the same time and I had second thoughts about doing that. I was wondering if he would take the "EASY WAY OUT" and duplicate some of the outfits from one book to another. I am thrilled to report that Tom Tierney is NOT a man who "TAKES THE EASY WAY OUT" and I am so glad. The size of this book is LARGER than the other two(Great Fashions of the Victorian Era and Gibson Girls). I must say I truly like the larger 12 x 9" size much better. It is only a matter of a few inches, but frankly it makes a big difference. The dolls are much larger and, naturally, so are the costumes. If someone was going to use these for playing "paper dolls" it would certainly making cutting out their costumes much easier to have the larger sized dolls. In this book, he only puts two outfits on each page - when he does that in the other books, the costumes are rather small. In some cases, he could only put one dress on a page. PLEASE MAKE ALL THE REST OF YOUR BOOKS THIS LOVELY, LARGER SIZE. IT DOES MAKE A DIFFERENCE! I purchased these books because I collect half-dolls and I need to make outfits for all of them. Naturally, I will probably be making outfits with hoop skirts, but then again, I may not. Anyway, that is what caused me to find these fabulous books by Tom Tierney. I know I am going back to .com buy ALL of Tom Tierney's books. These books are fantastic for doll designers, doll costumers, theatrical producers with a need for historic accuracy, Mother's Aunt's of lucky little girls and people who collect half-dolls. These books are perfect for anyone who loves fashion would like to see what people they have only read about wore in Newport, Once Upon a Time! 1 of 1 people found the following review helpful. Classic fun! By Kindle Customer Daughter loves them. Keeps her busy for 30 min. to an hour. I FREAKED when I saw they weren't perforated but... she doesn't mind cutting them out herself. She's 8. I do have to help her with the tight corners. Perhaps a craft razor blade would be best. Just a heads up! Fun fashion history facts in them also!

During the extravagant era of the Gilded Age, Newport, Rhode Island, served as a summer retreat for America's social aristocracy. Here the "Four Hundred" of high society built palaces on magnificent estates and entertained each other. Tom Tierney recreates this breathtaking world in a volume featuring two dolls and a wardrobe of 30 costumes once worn by the Vanderbilts, Astors, Belmonts, and other members of the social elite. Worn during the height of Newport's social seasons during the 1870s through the early 1900s, the stunning creations range from velvet afternoon dresses and elaborate outfits for costume balls, to fashionable dinner attire and satin evening gowns.

About the Author One of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.
