Five StarsBy HilltopGreat reference, lots of pictures!0 of 0 people found the following review helpful. Very comprehensive for toysBy FredDoesn't cover all of the gasoline trucks that have been on the market for the past 40 years. A huge resource for toy collectors but not gasoline truck collectors.

The third edition of this guide to toy cars and trucks features a new alphabetical format and expanded categories. Listings are generally priced in three grades of condition with a total of 45,000 current market prices.

About the Author Karen O'Brien is the toy book editor for Krause Publications. A lifelong toy collector, her varied collection includes Tonka dump trucks, promos, model kits, assorted 1:43 cars and the Corgi Batmobile that started it all. She is also editor of Warman's [registered] Toys Field Guide, 2004 Toys Prices, Classic Matchbox and Standard Catalog of [registered] Farm Toys.
