From Krause Publications : O'Brien's Collecting Toy Trains: Identification And Value Guide (O'Brien's Collecting Toy Trains) before purchasing it in order to gage whether or not it would be worth my time, and all praised O'Brien's Collecting Toy Trains: Identification And Value Guide (O'Brien's Collecting Toy Trains):

1 of 1 people found the following review helpful. Very good reference for new collectorsBy Dr. whoThis book is very helpful tool to determine values and identification of collectible model trains. There are numerous good quality pictures and a very complete listing of models. Valuation of trains are in line with other publications. Very good reference for a collector or a model train dealer.0 of 0 people found the following review helpful. Five StarsBy Patti Garcialogreat0 of 0 people found the following review helpful. Outdated but interestingBy DanClearly outdated and

does NOT include Bachman and other brand names that are less well known or perhaps weren't around then. However it is interesting to look through to see some of the older trains and their values back in the 90's
