I just really wish they would release a newer more updated version of this fine little book here.

Collecting rare coins has become a lucrative global game. Now the award-winning, top-selling *One-Minute Coin Expert* has been completely revised and updated to show you how to play. Scott Travers teaches readers everything from how to recognize valuable coins in pocket change to how to make a mint trading gold coins. A must for beginners and a valuable resource for experienced collectors, this book includes:

- New photos of valuable coins, such as State Quarters and Presidential dollars, that will help to convert that jar of change into a treasure chest
- Tips for identifying tiny differences that make small coins worth big money
- Secrets of how to grade, trade, and preserve coins like the experts
