**From New Internationalist : One World Calendar 2015** before purchasing it in order to gauge whether or not it would be worth my time, and all praised One World Calendar 2015:

The One World Calendar portrays positive and inspiring images of people around the world. The theme of the 2015 edition is Borders Boundaries; most of the photographers featured are from countries in the Majority World. The dual-purpose design gives owner the choice of wall calendar or appointments calendar.

About the Author The New Internationalist is an independent not-for-profit publishing co-operative. Our mission is to report on issues of world poverty and inequality: to focus attention on the unjust relationship between the powerful and the powerless worldwide: to debate and campaign for the radical changes necessary if the needs of all are to be met.
