BradfordI have purchased this Painted Ponies calendar each year for over 20 years and have always enjoyed it. A nice sized calendar on almost cardstock paper with room to write appointments on the date and excellent close up pictures of Carousel ponies with usually a 3 sentence review of the picture. Mostly Carousel horses but occassionaly a lion, giraffe, bear, tiger, swan etc. makes an appearance. A must for Carousel lovers.0 of 0 people found the following review helpful.
