Carol Nichols : Paper Dolls of the 1960s, 1970s, and 1980s: Identification Value Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Paper Dolls of the 1960s, 1970s, and 1980s: Identification Value Guide:

1 of 1 people found the following review helpful. Five Stars By robinso much fun! 3 of 3 people found the following review helpful. Good for identifying By ccompay It is fun to see the dolls of these eras and for getting information about publishers and price. I have most of the paper doll books and find I do need them all. 9 of 9 people found the following review helpful. Paper Dolls of the 1960s, 1970s, and 1980s By G. M. Johnson The book is a history of paper dolls during the period indicated in the title. The paper dolls are of tv and movie stars. There are paper dolls of familiar dolls like Barbie and kewpies. The book consists of pictures of various paper dolls, some are no longer being printed. The

book is colorful and interesting. It is a treasure for paper doll collectors and anyone interested in paper dolls.

This book documents over 1,000 beautiful paper dolls. It covers three specific decades in history and carries information pertaining to the collecting, upkeep, and preservation of paper dolls. The book pinpoints where you can find vintage paper dolls to add to or start your collection. Each paper doll set shown includes photos of the book or box cover, a shot of the doll, and a sampling of clothing for each paper doll set. An up-to-date price guide accompanies each set, based on the research of the author through books, eBay, and her own experience in pursuit of her collection. A helpful photo index is also provided so the collector can easily look up a paper doll. 2005 values.

REVIEW: This book will have collectors racing to the bookstores. It is an all-new revised edition, this time organized alphabetically by model name and description for ease in identification. Well over 1,000 photographs are included.
