Edward Ryan : Paper Soldiers: the Illustrated History of Printed Paper Armies from the 18th, 19th 20th Centuries (Golden Age editions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Paper Soldiers: the Illustrated History of Printed Paper Armies from the 18th, 19th 20th Centuries (Golden Age editions):

0 of 0 people found the following review helpful. Five StarsBy J. TripiGreat Product and Great Price

The standard work on this subject brings together for the first time a record of more than 500 publishers of paper soldiers in 24 countries. A special limited edition of 2000 signed and numbered copies by the author.

From Library JournalThough expensive this important and detailed publication by a world expert has over 700 color photographs. The first complete book on its subject, it is likely to remain the standard work for decades to come.Copyright 1997 Reed Business Information, Inc.
