Lots of pictures, and I would highly reccomend it to anyone who is interested in collecting these tokens. I would like to also reccomend "The Civil War Token Collectors Guide" by Bryon Kanzinger. With these two books in your library, you need no other reference for tokens.1 of 1 people found the following review helpful. Patriotic CivilWar Tokens by FuldBy kody829Great book, has detailed pictures. Will be of great bennifit in identifying tokens I already have differences in the varieties of some. Also refrences the rarity of each. Will also be invaluable in identifying those which I may want tommorow.0 of 0 people found the following review helpful.
