Nice Album, thanks!By CustomerAs described new condition, nice album, thanks!3 of 7 people found the following review helpful. Misrepresented - this is not leather boundBy MPHThis item clearly has paperboard/cardboard cover, not the "Leather Bound" advertised and it can be found cheaper elsewhere - Barnes Noble has a true representation of the identicle product at a lower price!

Strong, soil resistant albums are designed with thumb notches for easy window removal. Every album features a trademark grained leatherette cover. Peace Dollars 1921-1935 has 24 openings..
