Larry Bloemker, Robert Genat, Ed Weirick : Pedal Cars before purchasing it in order to gage whether or not it would be worth my time, and all praised Pedal Cars:

0 of 0 people found the following review helpful. Five StarsBy tRACIGGreat book.....wonderful pictures and good information on the history of pedal cars. Highly recommend this book.0 of 0 people found the following review helpful. Love itBy Duane PrestesaterLove it0 of 1 people found the following review helpful. I think it great!By James T.I am very pleased with my purchase. It contains valuable information pertaining to the pedal cars that I am in the processs of restoring. I also bought it at a great price and was pleased with the fast shipping. I would recommend this to anyone who is restoring or owns a vitage pedal car

Flash back to the fun-filled days of your childhood! Pedal Cars traces the history of these popular and collectible toys from early tin models built near the turn of the century to the modern versions available today. A delightful mix of

contemporary color photographs and period advertisements, brochures, and black white photographs portray the classic toys so many Americans grew up with. Discusses manufacturers from each time period, as well as what kinds of cars were being produced, and which are the most valuable on today's collector market. Includes a price and value guide.

About the Author Robert Genat is an accomplished author and photographer who has written 25 books for MBI Publishing. A self-proclaimed "gearhead," Robert has restored two classic cars in the last 10 years (one of which was featured in a nationally syndicated television show), and has recently completed a chopped '32 five-window coupe. He and his wife Robin own and operate ZoneFive Photo. Genat lives in Encinitas, California.
