Rick Pease : Petroleum Collectibles (Schiffer Book for Collectors) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Petroleum Collectibles (Schiffer Book for Collectors):

0 of 0 people found the following review helpful. Great book for the collector
By shirley geckIs for a gift but have browsed through it. Great book for the collector
0 of 0 people found the following review helpful. Five Stars
By Lisa Connellygreat book

Petroleum Collectibles by Rick Pease covers a wide range of gas station collectibles including salt and pepper sets, maps, license plates, cans, pumps, signs, and a large "miscellaneous" section which covers such novelty items as globes, dinnerware, and clocks. Over 550 color photographs illustrate the colorful and inventive graphics that were used on the advertising and packaging of petroleum items and make this area of collecting so unique and fun. The current market values of the items are included in the captions.

About the Author Petroleum Collectibles is Rick Pease's fourth book on gas station collectibles and memorabilia published by Schiffer. He lives in Texas.
