This beautifully illustrated book tells the story of the pink pearl of the Caribbean. The pink pearl is produced by a very beautiful shellfish, the queen conch, and is unrivaled anywhere in the world. On average, one in every 10,000 queen conch shells contains a pearl. Sue Hendrickson, a professional diver and a female Indiana Jones, has spent much of her life collecting pink pearls most of which have been discovered by Caribbean people who fish for conch for its flesh.
