Darwin Holmstrom : Pontiac GTO 50 Years: The Original Muscle Car before purchasing it in order to gage whether or not it would be worth my time, and all praised Pontiac GTO 50 Years: The Original Muscle Car:

0 of 0 people found the following review helpful. GTO FeverBy Vincent VinciguerraI really enjoy this book and I am so glad I bought it. It is very well written and has lots of great photos. I am a fan of GTO's and I would highly recommend this book to anyone who loves GTO's and pontiac. For anyone who want's to know how the muscle car era started this book is a great starting point, and there are other great books written about GTO's also. Just by reading this book it will take you back in time and make you wonder what it was like back then.0 of 0 people found the following review helpful. I thought the book was pretty good, with a nice initial presentationBy Donald E PolsonI thought the book was pretty good, with a nice initial presentation. It has good coverage of the '60s models. Even though I'm a 1969 guy, I thought the 73-74 sections were treated as an after-thought. The 1974 has 8 pages of pictures of the same car, yet not a single interior, engine compartment, trunk or under carriage shot. I know the 1974 body-style, interior, and options were more varied than shown. For that matter, the engine compartment shots were weak book-wide, unless

you're only looking for tri-powers or ram-air. I would have liked a few more interior detail pictures. As always, the greatest emphasis is placed on the 04 GTO than the combined 05-06. On the brighter side, all the cars used were factory original... no aftermarket add-ons that other authors include. Holmstrom and Newhardt seem to have a great grasp of the Great-One.0 of 0 people found the following review helpful. Five StarsBy DMetzlerGood pics. Good info. Somewhat jaded outlook on GM. Pro-GTO!

This is the car that launched the muscle car era and gave the Baby Boomers high-speed wings. Trivia freaks might know that Pontiac's "GTO" means "Gran Turismo Omologato," but muscle car fans know it earned its nickname at a time when America built the greatest cars on earth. It wasn't the fastest, the most powerful, or the most outrageous muscle car, but Pontiac's GTO resides at the very top of the pantheon because it was the first. Pontiac GTO 50 Years: The Original Muscle Car follows the rise of this iconic vehicle from the day in 1963 when Chief Engineer John Z. DeLorean bolted a 389-cubic-inch GTO engine into a prototype Tempest coupe through the final GTO rendition in 2006. Wedding that massive V-8 to a mid-size GM chassis created one of the fastest production cars of the time but also made it a car just about anyone with a job could afford. It started as an option package that was supposed to be limited to 5,000 units. Instead, word of mouth pushed sales to more than six times that many in its first year. Hundreds of photographs round out this thoroughly researched history and offer insight into the vehicle that, through redesigns, repackages, and relaunches, came of age with the Baby Boomer generation. From classic 1960s models to the GTO's revival in 2004, the exhilarating story of the outlaw that should never have been and will never be again will thrill any auto enthusiast.

About the Author Darwin Holmstrom has written, co-written, or contributed to over thirty books on subjects ranging from motorcycles and muscle cars to Gibson Les Paul guitars, including Indian Motorcycles, GTO: Fifty Years, Let's Ride: Sonny Barger's Guide to Motorcycling, Top Muscle: The Rarest Cars from America's Fastest Decade, BMW Motorcycles, The Life Harley-Davidson, and The Complete Idiot's Guide to Motorcycles. Darwin is the senior editor for Motorbooks. Prior to that he served as Midwestern editor for Motorcyclist magazine. David Newhardt is one of the best automobile photographers working today and has provided photography for best-selling Motorbooks titles Muscle: America's Legendary Performance Cars, Corvette: Fifty Years, Mustang: Forty Years, Mopar Muscle: Fifty Years, and Shelby Mustang: Racer for the Street.
