Robert C. Hoffman : Postcards from Santa Claus: Sights and Sentiments from the Last Century (Postcards From...Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Postcards from Santa Claus: Sights and Sentiments from the Last Century (Postcards From...Series):

1 of 1 people found the following review helpful. Postcards from Santa Claus: Sights and sentiments from the Last Century By Evelyn Rozycki I wasn't happy with this book. It showed pictures of postcards but not perforated postcards. This was not what I was looking for. 10 of 10 people found the following review helpful. Delightful Historical Perspective Of Santa Claus By Customer The author has put together a wonderful book that gives the reader a Santa Claus history how events of the times were seen in Santa postcards through the years. Santa trade cards, Santa holiday cards, even Santa cards from Elvis, it covers the periods from the late 1800s to the present. Descriptions accompanying all the beautiful illustrations are really interesting, very informative. I really loved this book. Makes a great gift too. 9 of 10 people found the following review helpful. Perfect Christmas Addition By Numerix This is a great Christmas edition and stocking stuffer. The selection of postcards is superb and the photography captures the range of holiday examples excellently. The written narrative is a perfect accompaniment to the delightful collection.

These unique full-color books capture the events and emotions of times gone by through beautiful postcard images, personal messages, and captivating text. Each book is designed to bring alive not only the sights of the last century, but also the sentiments—whether those of a young actress telling her family that she's landed a job with Rudy Vallee's revue, or of an army corporal letting his friend know that he'll be discharged by Christmas 1941. Perfect as mementos, pictorial histories, and gifts, the Postcards From . . . Series transports you back in time, allowing you to explore the events, places, and people that have enriched our country and our culture.

About the Author Robert C. Hoffman is a professional antiques dealer specializing in vintage posters. For over thirty-

five years, he has amassed fascinating images of Santa Claus. Numerous pieces from his beautiful collection have appeared on television and been featured in antique expositions and exhibits.
