A++By cassandraaaThis book is amazing if you are a collector! I've found 99% of the ones I've collected over the years in this book even though it's an older addition. Most of the figurines I find are older so it's perfect!

This popular line has been around for over 20 years and our 304 page guide tells the whole amazing story. The 2001 edition features: -Full-color photos of the entire collection, including TENDER TAILS (R) -Up-to-date secondary market values for each year mark -An in-depth look at the PRECIOUS MOMENTS Chapel -A special feature on the creative forces behind PRECIOUS MOMENTS.
