From Brand: Sterling : Presidential Dollar Collector's Folder before purchasing it in order to gage whether or not it would be worth my time, and all praised Presidential Dollar Collector's Folder:

That one was a bit tight. This one is not so! This coin folder fits the dollar coins very well and very easy. And it holds the coins pretty well. I definitely recommend this product over the whitman blue folder.1 of 1 people found the following review helpful. It will fit easily on a bookshelf which is a plus in my ...By shopper101The booklets arrived quickly. Since no mention was made of the books capacity to hold both mint locations, I thought it would only hold one series o Presidential Dollars, but in fact, there are spaces for both Denver and Philadelphia. Also, the books dimensions are 9 1/4" x 6 3/4" and it is quad fold. The information about the Presidents are in fold over papers which if small persons are to use should probably be laminated. It will fit easily on a bookshelf which is a plus in my mind.0 of 0 people found the following review helpful. Good buyBy

U.B.It looks really nice; it has slots for both "P" and "D" coins. Coins fit well and snugly. The merchant was reliable and the booklet arrived on time and in excellent condition.

The U.S. Mint has started issuing handsome new silver dollars featuring images of the presidents in the order that they served—and this time they're taking a fresh, contemporary approach! Beginning this year with George Washington, John Adams, Thomas Jefferson, and James Madison, each coin will have large dramatic artwork (bigger than ever before) and display the Statue of Liberty on the reverse. They'll also feature innovative edge lettering and a process to make the coins stay shinier longer. This 4-part folder is a handsome, practical way to collect those coins as they're issued and keep them in perfect condition over the years. Done in the same specs as the very successful 50 State Quarters Collector's Folder (more than 100,000 copies sold), The Presidential Dollar Collector's Folder offers informative background material on the mint and the presidential coin program, as well as selected highlights of each president's term in office.
