From Krause Publications : The ABC's of Reloading before purchasing it in order to gage whether or not it would be worth my time, and all praised The ABC's of Reloading:

0 of 0 people found the following review helpful. Informative!By mikeThis is a real informative book for reloaders or beginners who are just curious, like me. From what I understand, some new advancements in reloading have been made since this book was printed, but I still found a lot of useful information that helped me.0 of 0 people found the following review helpful. okBy Michael Nichlosits ok0 of 0 people found the following review helpful. I feel one of the best Manuals out there for learning all about reloadingBy Darlene SteierSent very quickly. I feel one of the best Manuals out there for learning all about reloading.

- Step-by-step instructions and illustrations guide readers through the basics of reloading- Provides important safety tips on the hobby- Covers benchrest loading techniques, ballistic software, competition and hunting loads, materials

and equipment selection and more
