Easy to read, the book gives a good general overview of important artists and works. Has good insights about the different artists' personalities, making the book fun to read.0 of 0 people found the following review helpful. Concise and readable!By ljGreat, easy introduction to art. I'm using it for my new art history class.1 of 1 people found the following review helpful. Informative and fun!By HelenAn excellent overview for those of us with the interest but without an extensive background in art. It's written clearly and is fun to read with important and /or interesting facts noted about particular artists or art movements within the context of their times.
