From Brand: Workman Pub Co : The Art of Barbie: Artists Celebrate the World's Favorite Doll before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Barbie: Artists Celebrate the World's Favorite Doll:

0 of 0 people found the following review helpful. Something differentBy Evil Dr. ZenwattThis book is a riot. What these different artists have done with this classic American icon are pretty outrageous. Some of the artwork is very creative and original, while others are hilarious. Great to see folks having fun in a whole different way with this plastic beauty queen.0 of 0 people found the following review helpful. Five StarsBy JeanneMy daughter absolutely loved it!3 of 3 people found the following review helpful. great for mature collectors..By Carrie L. MillerI have collected Barbies for many years and received this book as a gift. I thought it was wonderfully interesting to see many different artists' interpretation of Barbie and her influence on society. I haven't looked at the book for a few years, and I can still picture some of the images - Barbie swimming in French Fries (a play on American diet vs. Barbie's slim figure?) and many dolls watching a huge Barbie face on a movie screen (Is Barbie taking over the world? Should we be on the lookout for Big Barbie?). Overall, I agree that this is a fun coffee table book that would stimulate a lot of interesting conversation.

Say happy birthday to an American legend. Introduced 35 years ago, Barbie is by far the most popular doll ever created. To celebrate, over 100 artists, photographers, fashion designers, illustrators, and Barbie-philes created a stunning visual homage in full color and black-and-white. Witty, surprising, and irreverent interpretations, from the

creator of The Art of Mickey Mouse.

Artists celebrate the Barbie doll in this intriguing collection gathering the works of such diverse names as Andy Warhol, Karl Lagerfeld and Anna Sui. Portraits done in oils, collage, watercolor and ink, and other forms are captured in strong photos and commentary. -- Midwest Book About the Author Craig Yoe is a contributor for the following Workman Publishing Co Title: The Art of Barbie
