**(author) Hugo Krijger, (author) John Beringen, (author) Michiel Elsevier Stockmans, Edited by Rene Van der Star (author) Ien Rappoldt : The Art of Silver Jewellery: From the Minorities of China, the Golden Triangle, Mongolia and Tibet (Hardback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Silver Jewellery: From the Minorities of China, the Golden Triangle, Mongolia and Tibet (Hardback) - Common:

This book and exhibition presents over 250 silver necklaces, and earrings - objects of ceremonial beauty and originality created by tribal peoples of China. Four catalog essays by leading experts illuminate the context creation in the late 19th and early 20th centuries and also provide valuable background information for designers, historians, collectors and dealers. In addition to images of the j...
