Patricia Long : The Barbie Closet: Price Guide for Barbie Friends Fashions and Accessories, 1959-1970 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Barbie Closet: Price Guide for Barbie Friends Fashions and Accessories, 1959-1970:

1 of 1 people found the following review helpful. Great BookBy DirtyLittleSecretsGreat addition to my new Barbie literature. It's filled with so many photos and valuable information!0 of 0 people found the following review helpful. great!By martine versteegA must have for vintage Barbie collectors, worth hours of reading and looking at some cool images.0 of 0 people found the following review helpful. The very best book ever written on BarbieBy MarionThe very best book ever written on Barbie. A must have for beginning and expert collectors! Thank you for the opportunity to have this book in my collection.

Book by Long, Patricia

From Library Journal Because of the high demand for all things related to Barbie dolls, most decorative arts libraries order whatever is published without being too concerned about quality. Fortunately, this is a pretty good book and would not be a superfluous purchase for most collections. Aware that most Barbie value guides show prices for dolls in mint condition, Long, a veteran collector and columnist for Toy Shop magazine, has gone a step further by including prices for the individual components of each particular boxed ensemble. There is also information on other dolls in the Mattel family (e.g., Ken, Midge, and Skipper), sidebars detailing Barbie's history (this is where you find out Barbie's last name as well as the names of her parents!), and facts about each individual model. Hundreds of color photos show the dolls as they would look if in mint condition—that is, with ensembles intact (important for collectors). Although the table of contents is detailed, the book suffers from lack of an index. Nonetheless, this is a recommended and highly useful tool. DMargarete Gross, Chicago P.L.
