Second Edition of a Great Beatles Reference !! By Irvin Goodman This 216 page book is loaded with more than 600 full color, large, clear photos of Beatles memorabilia covering their heyday from 1964 to 1968. The beautiful picture, price guide features: Early Beatles Memorabilia, Jewelry, Buttons, Yellow Submarine, Apple Studio, Yellow Submarine Celluloids, One of a Kind Items and more. There's a brief introduction to the topic, and each picture features a description and price. Some collector resources are included. A beautiful book that Beatles collectors will love. Add it to your library. 5 of 5 people found the following review helpful. Beatles items I never new existed are in this Price Guide By Frank Williams This book is full of items the collector needs to know about. How many times have people (I know I have) passed up on great items to collect, simply because they were not sure that an item even existed, as a "real deal" collectible? This book has been well researched by the author and provides the collector with a great resource and guide, a true collector should not be without. A great addition to the library of any Beatles' collector or fan.
