Ed Hulse, Will Murray, Mark Trost, Martin Grams Jr. : The Best of Blood 'n' Thunder: Selections from the Award-Winning Journal of Adventure, Mystery and Melodrama in American Popular Culture before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Best of Blood 'n'

Thunder: Selections from the Award-Winning Journal of Adventure, Mystery and Melodrama in American Popular Culture:

0 of 0 people found the following review helpful. Great collections of articles from early Blood n ThunderBy Michael R. BrownThis is a great collection of articles from the earlier issues of Blood n Thunder before they went Print On Demand.So instead of trying to track down issues, get this and the second volume.3 of 3 people found the following review helpful. Great NostalgiaBy evorard p.latoucheGreat collection of articles on movies,old pulp magazines,old books,etc.Written by a group of people who know what they are talking about This can give you a window into the past of popular culture.I liked it a lot.

Since 2002, Blood 'n' Thunder has explored American popular culture of the late 19th and early 20th centuries as manifested in the era's popular fiction—dime novels, story papers, nickel weeklies, pulp magazines—and such derivative storytelling vehicles as stage melodramas, motion pictures, and Old Time Radio programs. Blood 'n' Thunder's readers include not only veteran fans and collectors of such material, but also newly interested hobbyists born decades after the heyday of pulps and related narrative forms.This 340-page book collects the finest articles and reviews that appeared in Blood 'n' Thunder's long-out-of-print first ten issues—over 125,000 words of history, biography, and commentary, impeccably researched and lovingly presented by devotees for devotees. It's a one-volume encyclopedia for aficionados of vintage adventure, mystery and melodrama.
