Christian Zinzendorf, Johannes Zinzendorf : The Big Book of Flax: A Compendium of Facts, Art, Lore, Projects and Song before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book of Flax: A Compendium of Facts, Art, Lore, Projects and Song:

2 of 2 people found the following review helpful. It's BIG!By WulfstanIt's a book and it's about flax. And, it's really big- over a foot high, and weighing over 3#. You get your money's worth.Beautifully illustrated and comprehensively researched, this will be "THE" source book for all things Flax Linen- and I mean ALL things including cooking and songs.Comprehensive.4 of 4 people found the following review helpful. almost every page has a color pictureBy SimpleIsAsSimpleDoes-FGSo many topics covered, a little bit about most everything:dyeingweavinggrowinghow to remove mildewknittinggrettingharvestinggrowingsewingcraftssongsbaking, and on and on... something missing i

wanted to see were fields of some of the other flax varieties and a little more information about the varieties.0 of 0 people found the following review helpful. Beautiful book that covers all aspects of Flax.By TeresaBeautiful book and it really covers all aspects of flax. We are growing flax for the first time and it has all the information needed plus great photos. very happy with this book.

Learn the fascinating story of the flax to linen process in history, legend, song, crafts, lesson plans, and recipes. With 414 images, this comprehensive book dates back thousands of years, from how flax was cultivated in the Middle East and Europe, its beginnings in America, to its use in the twenty-first century. Guidelines for planting, harvesting, breaking, spinning, weaving, and other processes provided. If you're a collector, flax tools, spinning wheels, and flax-made antique fabrics and linen make great collectibles. Make a rope bed, a linseed oil lamp, and even bake buttermilk biscuits with flaxseed. Discover the many great uses of this plant and the role it played throughout the world. This is a great resource for history buffs, collectors, educators, and planters.

About the AuthorChristian and Johannes Zinzendorf have grown and processed flax since 1983 and have demonstrated the Colonial flax process at festivals and museums. They live in Central Pennsylvania.
