Don Macmillan : The Big Book of John Deere Tractors: The Complete Model-by-Model Encyclopedia, Plus Classic Toys, Brochures, and Collectibles (The Big Book Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book of John Deere Tractors: The Complete Model-by-Model Encyclopedia, Plus Classic Toys, Brochures, and Collectibles (The Big Book Series):

0 of 0 people found the following review helpful. likes the old models in particular and enjoyed the complete history

from John Deere's beginning
By Customer
My husband, a John Deere fan, likes the old models in particular and enjoyed the complete history from John Deere's beginning. It gives him a good reference when talking with all his John Deere friends.
0 of 0 people found the following review helpful. Gave as a gift and he loved it.
By lilj78I gave this book as a gift and the person who received it absolutely loves it. He loves that it not only has great info, but great pictures and goes into model toys as well. It is a larger book that he now has on his coffee table and I am happy he liked it.

By Moulton girl
My nephew 4 years old loved it. He loved all the pictures in it.

The John Deere company boasts a tremendously rich heritage going back to 1837 when Deere, a blacksmith from Illinois, changed the agricultural landscape by producing a polished, self-scouring plow made of high-grade steel. From the trademark Deere green to the distinctive sound of the classic "Johnny Popper," Deere tractors have built a worldwide following. We've gathered nearly all the information any John Deere or tractor enthusiast would ever want to know about this famous tractor maker. THE ultimate encyclopedia of John Deere tractors from around the world, "The Big Book of John Deere Tractors" is a model-by-model historical reference to John Deere tractors including models from around the world from their beginning in 1892 until today. Photos showcase beautifully restored tractors and unique paintings and artwork from the Deere archives. Other illustrations include rare and valuable original brochures as well as studio photos of John Deere toys and models. If you're a John Deere or general tractor enthusiast, your collection is not complete without "The Big Book of John Deere Tractors"!

"No John Deere enthusiast's collection is complete without The Big Book of John Deere Tractors!" - agricultural-engineering.blogspot.com
