Francis Rousseau : The Book of Antique Furniture before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Antique Furniture:

0 of 0 people found the following review helpful. Three StarsBy Native TexanIt was okay, but not too helpful for my purchases. I am a writer.0 of 0 people found the following review helpful. Three StarsBy BMinkNot impressed.0 of 1 people found the following review helpful. The book of Antique FurnitureBy Maria Perez ArrambideIt is a very good book and it was in great conditions.The service was also very efficient.I highly recommend it.

A challenge that few have attempted in the past; assembling everything you need to know about furniture from the sixteenth century to the present in one book. This incredibly thorough book includes every important style that marked society, including Renaissance, Charles V and Phillip II, Regence, Louis XVI, Directoire, Rococo, Empire, Victorian,

Art Nouveau and others, complete with intricate details allowing a rigorous identification of each object. Decorative motifs, various types of wood, fabrics and ornamentations are described in detail to help furniture lovers find their way around second-hand shops and auction houses. Includes over 700 color photographs.
