Trinity College Library : The Book of Kells: Small Journal (Thames Hudson Gift) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Kells: Small Journal (Thames Hudson Gift):

A handy paperback journal, lined throughout, with a beautiful cover drawn from the Book of KellsThe Book of Kells is a masterpiece of western calligraphy, undoubtedly the finest remaining example of an illuminated manuscript, and one of the most important surviving artifacts from medieval Europe. Named after the Abbey of Kells, some forty miles north of Dublin, where it was held for centuries, the Book of Kells was produced around the year 800 CE, probably in both Scotland and Ireland. It is a text of the four Gospels in Latin, employing expert calligraphy and decoration, rare

colors, and other embellishments that make it a true work of art. Paying homage to its incredible beauty, this handy paperback journal, lined throughout, has a beautiful cover drawn from the Book of Kells.
