Frank N. Potter : The Book of Moxie before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Moxie:

2 of 2 people found the following review helpful. THE Moxie book Must have for collectors!By PFSThis is pretty much the bible of Moxie collectors. It is a shame it went out of print but not surprising considering all the color pages and the depth of detail that went into it. How could they print and distribute it for the original \$29.99? Very large and easy to read book. Has background and history on all aspects of Moxie. Very well done!
