**Ian D. Skennerton : The Broad Arrow: British and Empire Factory Production, Proof Inspection, Armours, Unit and Issue Marking** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Broad Arrow: British and Empire Factory Production, Proof Inspection, Armours, Unit and Issue Marking:

0 of 0 people found the following review helpful. Five StarsBy Gail HoskingGreat book, although expensive for a soft cover, it's what I wanted ;)0 of 0 people found the following review helpful. Just What the Doctor OrderedBy Dave HareThis provides the detail that the British military collector needs for in-depth research. Ian Skennerton is a known authority on the subject and in this book he offers minute details of the various markings the collector encounters. This book is highly recommended.1 of 1 people found the following review helpful. A most comprehensive review of Commonwealth arms markingsBy BamBam91FSCIf you have any interest in any arm used by the British, British Imperial, or Commonwealth forces in the last 2 centuries this text has the markings listed by manufacturer, date, country or area of use, and weapon type.A Must Have for any serious collector of Broad Arrow militaria.
