Jean Dale : The Charlton Price Guide to Royal Doulton Beswick Storybook Figurines (Royal Doulton Collectible Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Charlton Price Guide to Royal Doulton Beswick Storybook Figurines (Royal Doulton Collectible Series):

Covering figurines from Alice in Wonderland to Beatrix Potter to the Little Likeables and Walt Disney's Winnie the Pooh, this catalogue is a must for collectors. Detailed listings (name, number, designer, and issued/disconnected dates), indices and current prices from a complete and easy-to-use reference for cartoon and storybook figurines.
