Angus Konstam : The Civil War Soldier: Includes over 700 Key Weapons, Uniforms, Insignia before purchasing it in order to gage whether or not it would be worth my time, and all praised The Civil War Soldier: Includes over 700 Key Weapons, Uniforms, Insignia:

3 of 3 people found the following review helpful. Recycled Plates of RelicsBy HueymanI ordered the book hoping for the promised "specially commissioned photographs", but was disappointed. While the plates are stunning with their variety of authentic CW relics, they are reused for at least the fourth time. If you have "The Fighting Men of the Civil War", "The Civil War Catalog", or "Uniforms, Weapons, and Equipment of the Civil War", then you have all of the plates in this book and more. The text is a mediocre retelling of the CW chronology and does not sell the book. If you are new to CW collecting and building your library, then this would be a good choice as the price is not too bad. If you have any of the listed titles, avoid this one unless money is freely available.0 of 1 people found the following review helpful. Five StarsBy marc yablonth the book I needed .

Specially commissioned photographs of more than 700 key artifacts and military equipment bring to life the experiences of Union and Confederate soldiers of all ranks, by exploring the uniforms, weapons, and objects carried by soldiers on both sides. ?There is an abiding fascination with the Civil War. What personal items did soldiers carry in their haversacks? How did the weaponry differ between ranks? What did the design of each unit's flag symbolize? This is the ultimate quartermaster's locker room—a full-scale armory of detailed information. This is an essential

work for those who wish to gain an in-depth understanding of military life during one of the greatest conflicts in history—especially anyone interested in the widely popular Civil War reenactments. This book offers unique and detailed information about the personal items that a typical soldier carried along with weapons and other military necessities. Selected for their importance to the outcome, the artifacts include Union and Confederate guns, swords, artillery, uniforms, medals, equipment, and much more. Each item is described, photographed, and discussed in detail, making this a superb reference that brings the war to life.

About the Author Angus Konstam is a distinguished historian and author of many Civil War books, including *Duel of the Ironclads*, *The Pocket Book of Civil War Weapons* and *The Pocket Book of Civil War Battle Sites*. He was also the general editor of *The Civil War: A Visual Encyclopedia*. He served in the Royal Navy and was the chief curator of the Mel Fisher Maritime Museum in Key West, Florida.
