14 of 14 people found the following review helpful. great bookBy CustomerI needed clear instructions and a workable pattern. this is both. I was looking for a classic 30,s look . several versions are in this book . I have looked for a pattern for a long time so was so pleased with the book.I am up dating my review. I have now started to work on one of the quilt patterns .I am so glad I bought this book. As a quilter of 30 + years. I have tried to make this quilt be-for. But found the patterns difficult . the patterns in this book seem accurate and under understandable.1 of 1 people found the following review helpful. Rings rings and rings GaloreBy LCCLove the book. Lots and lots of patterns for wedding ring style of quilt. This book will be part of my quilting book collection for sure.3 of 3 people found the following review helpful. Love this bookBy Joanie ChristieI got this for the DWR. Explain things well. Will use it again for other quilts. will look for more of her books with different patterns.

Variations and directions on the Wedding Ring quilt pattern.
