**Janine Fennick : The Collectible Barbie Doll: An Illustrated Guide to Her Dreamy World** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Collectible Barbie Doll: An Illustrated Guide to Her Dreamy World:

A chronicle of the life and memorabilia of a famous American doll documents her physical and fashionable changes, her significance in culture and the collector's market, and ways to effectively buy, sell, and restore Barbie dolls.
